Re: S.B. 23-195 *Calculation of Contributions to Meet Cost Sharing*

Dear Senator Winter, Senator Will, Representative Jodeh, and Representative Pugliese,

We are writing on behalf of the EveryLife Foundation for Rare Diseases to express our gratitude for your invaluable support and sponsorship of Colorado Bill SB231-95. This legislation marks a significant step forward in ensuring access to affordable healthcare for Colorado residents. We extend our deepest appreciation to you for your dedication and efforts in championing this important bill.

As an organization that advocates for the needs of the rare disease community, we recognize the tremendous impact that this bill will have on hundreds of individuals with rare diseases and their families. The impact of your actions will extend far beyond the passing of this bill, leaving a lasting legacy of improved healthcare access for rare disease patients in Colorado. We are grateful for the positive change that you are helping to bring about.

Thank you once again for your service and commitment to the rare disease community.

Sincerely,
